BACK TO SCHOOL AGAIN...

...FOR A NEW YEAR

MILLICAMP 1995

Millicamp has become a traditional event at the beginning of each academic year. As part of the university orientation program, Millicamp is a two day orientation for new students at nearby Allerton Park. This year's theme for Millicamp was "Right Now... Is Our Tomorrow."

Millicamp kicked-off early on Saturday when new students and the camp counselors boarded some ten yellow school buses for the bumpy 45 minute ride to Allerton Park. Thus began the Millicamp 1995.

The objective of Millicamp is to introduce new students to life at Millikin in a fun and informal setting. Students had the chance to get to know one another, talk in groups about their first day experiences at Millikin, and ask questions about Millikin. Faculty and administrators were also present to discuss and answer questions about academics and classes at Millikin.

This year, new students had the opportunity to experience what classes were actually like at Millikin. A number of faculty members from different departments conducted several 20 minute long class like lectures about various topics. New students also had the opportunity to conduct a quick chemistry experiment conducted by Dr. Anne Rammelsburg from the Chemistry Department.

As usual, Millicamp would not be complete without such fun events as the bus competition, games, the dance on Saturday night, and the ever entertaining hypnotist. Other events on Saturday night included a candlelight walk to the Sunken Gardens where the senior Millicamp counselors were given the opportunity to say give a words advice to the new students, and a bonfire.

On Sunday morning, church services were held after breakfast. There was the usual water fight during the games competition to cool everyone off from the heat. Millicamp ended with the traditional lap sit.

RIGHT NOW... IS OUR TOMORROW

Off to Millicamp! Millicamp counselors Cindy Keppler and Leilani Saum lead the new students to the waiting buses.

FALL FAMILY WEEKEND

Each fall, the Parents Association sponsors Fall Family Weekend. The weekend offers brothers and sisters of Millikin students the opportunity to spend a weekend in the residence halls or houses and experience campus life. Family members can also attend classes to see the academic experience is really like here at Millikin.

The weekend is filled with various kinds of activities for the whole family. Events include Brother/Sister Programs, Fall Family Banquet, All Family Dance, a Millikin theatre production, performances by the Singing Blue and Blue Revue, and the Saturday afternoon football game.

HOMECOMING 1995

Homecoming week began Sunday with the traditional games at Fairview Park. The Homecoming Talent Show was held on Tuesday in Kirkland Fine Arts Theatre while the pep rally and fireworks was held on Thursday in Griswold.

On Friday night, the Homecoming King and Queen were crowned at the Homecoming Coronation and Concert. Alumni award winners and athletic hall of fame inductees were also honored at coronation and concert. Millikin alumnus Tim Shew, the Millikin Men and Singing Blue performed at this year's coronation and concert.

The Homecoming parade on the chilly Saturday morning began at the Decatur Civic Center and the route brought the parade back to campus. Other events on Saturday included campus tours for alumni, reunion brunches, the Great Tent Event and the football game.

As usual, the Homecoming dance was held at the Decatur Civic Center on Saturday night. Homecoming worship service was held on Sunday morning at Westminster Presbyterian Church featuring Millikin choral students.

This year's co-chairs for Homecoming were Kristy Conder of Centralia and Amy Killian of Onalaska, Wisconsin.

Tornado 1996

Thursday, April 18, 1996, tornado warnings were out for the entire central Illinois area. A tornado struck Decatur on the southeast side causing quite a large amount of damage in the Nelson Park area.

Who would have guessed that the next night Millikin students would be hearing tornado sirens again around 7:20 p.m. On Friday, April 19, the tornado drew even closer to campus--striking the Ravina Park area. During most of this storm the campus was out of power, but the university remain untouched by the twister.

Each person has their story to tell about where they were and what they saw the nights that the tornadoes struck Decatur, Illinois. It was an event that we'll all remember for a long time.

Many Millikin students and staff were significantly affected by the tornado that swept through Decatur on April 19. Among those affected were Mary Peters, clerical assistant to the Dean of Students. Mary said that it was difficult to see what was left of their belongings, but the support she received from friends, their church, and Millikin students and staff has really helped.

Mary got to meet the First Lady, Hillary Clinton, when she met with tornado victims on April 25. Mary mentioned how nice it was to talk with Hillary and see her genuine concern for those families affected by the disaster.

Above: Mary Peter's home damaged by the storm. Right: Mary points out how the tornado has affected her family to Mrs. Hillary Clinton during her visit to Central Illinois.

Millikin Students Reach Out to Help

Despite all the devastation from the damage, some Millikin students made a positive impact on the community. Students volunteered their time to serve food and water, carry boxes, help with the clean-up, and just talk to or listen to the people as they tried to process through what had happened.

After the weekend, many students began to give time to the Salvation Army by sorting donated clothes. The baseball team also got together to help clean up the debris near Ravina Park. Food and clothing drives also took place on campus through RTUC.

In Memory of a Dedicated Professor

Dr. LaVern J. Meyer

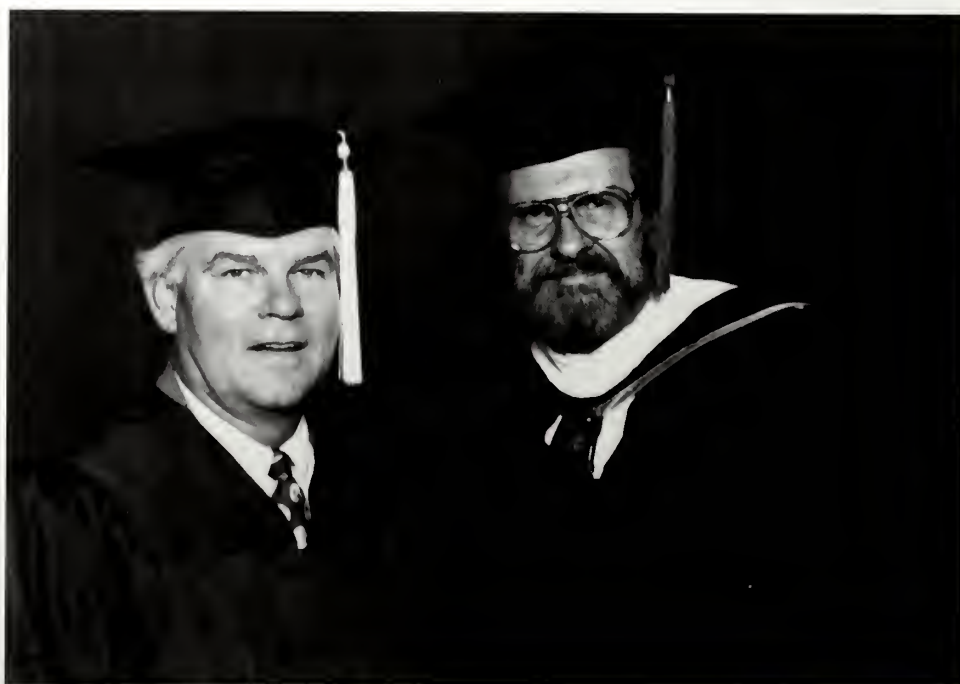

Dr. LaVern J. Meyer served Millikin University as an Associate Professor of Mathematical and Computer Sciences since 1985. He was the Chairman of that department for the past two years. Dr. Meyer was very dedicated to his students through involvement in the JMS program and as advisor to Millikin's chapter of Circle K. He also served on various committees within the university and community.

Dr. Meyer passed away on Monday, May 6, 1996. He will be sadly missed by the faculty, students, and friends of Millikin University.

Boston and Klaven Retire

Mr. Bryce Boston, 1960 graduate of Millikin, continued to serve the university for over 25 years. He worked as an admissions counselor and also as Assistant and Associate Director of Admissions. Mr. Boston brought thousands of students to Millikin University over the years. He has been a dedicated member of the Millikin staff until his retirement this May.

Dr. Marvin Klaven served the College of Fine Arts at Millikin University for over 35 years. Dr. Klaven was the Chairman of the Art Department until 1992. Dr. Klaven is commended for his dedication to the College of Fine Arts and to Millikin upon his retirement in May of 1996.

In Like a Lion, Out Like a Lamb

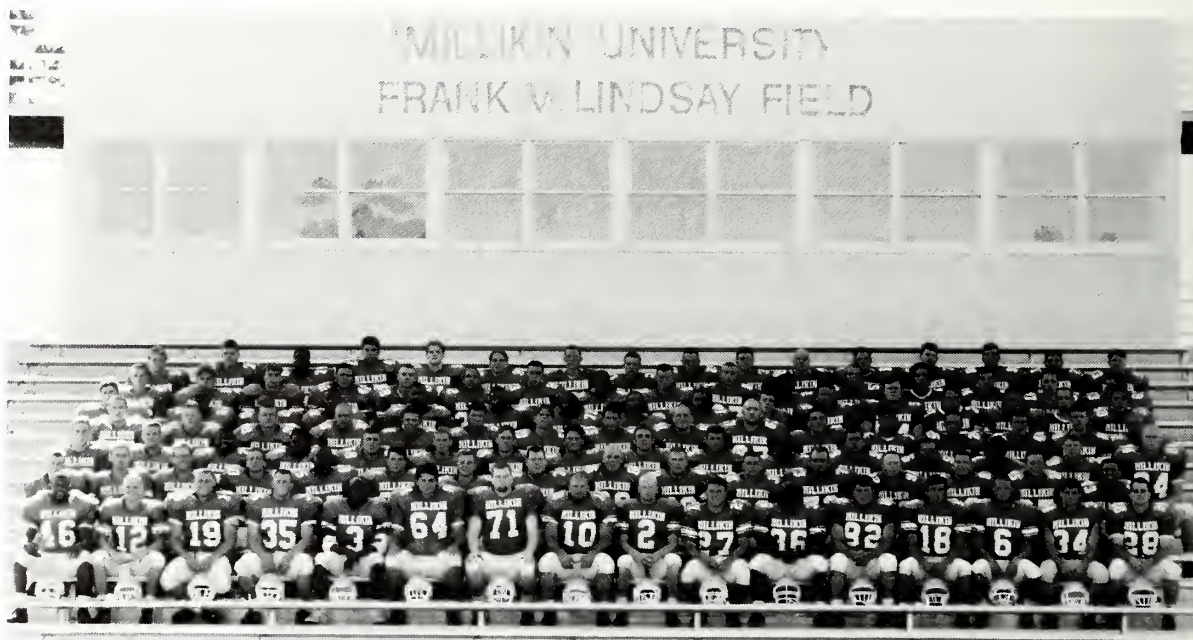

Coach Poelker's squad recorded its 12th winning season in the last 13 years.

With the return of 46 lettermen from the 1994 squad that finished with a 6-3 record, Coach Carl Poelker's final Big Blue football team looked prime for making another run at the C.C.I.W. title.

The Big Blue surprised everyone by barrelling out of the gates in route to a 4-0 record. One of those was a 15-7 win over division I-AA Butler.

The Big Blue then suffered a disheartening loss to conference foe Wheaton. The team never recovered, and finished with a final record of 5-4 and 3-4 in the conference.

Although the Big Blue did not complete the season as well as expected, with the return of 46 letter winners and the arrival of new head coach Doug Niebuhr, the Big Blue should be in excellent position to regain its spot atop the C.C.I.W.

No Change; Continued Dominance

"With increased confidence and a common goal, we knew where we wanted to be: at the top!"-Junior middle hitter, Kim Rowland

Coming off a sizzling 27-10 finish one year ago, Coach Linda Slagell's Big Blue had hopes of another great year. The Big Blue returned four starters and a number of key reserves which hoped to repeat as conference champs and receive a bid to the Division III National Championships. The 1995 squad obtained both of these goals by steamrolling over most of its opponents in route to a record of 36-5. Three of those losses came to Division III powerhouse U.W.-Osh Kosh. The Big Blue bowed out in the national tournament to U.W.-White Water. The team also set school records for wins in a season (36) and winning percentage (.878).

With the return of seven letter winners, Coach Linda Slagell's Big Blue should be able to continue their recent success and contend for a third straight conference title.

The Future Looks Bright

With everyone returning to the team along with many exciting recruits the Big Blue should improve greatly next season.

With no seniors and just two juniors on the squad, Millikin soccer coach Doug Morton says his team's goal this season was to revolve around trying to improve as the season progressed.

Fresh off a disappointing season one year ago when the Big Blue finished with a final record of 1 win and 17 losses this year. The team had hopes of competing more closely in every match along with having a great deal of fun. The team did just that with the help of sixteen letter winners. This year's team was led by team and defensive M.V.P. Ryan Albrecht, and Offensive CO-M.V.P.'s Phil Thomas and Alejandro Lagunal. With the return of all sixteen letter winners and the arrival of a new head coach, the Big Blue should be ready to improve and compete in the C.C.I.W. race next year.

A Step Ahead

"The Millikin Classic was good for us. It brought us together as a team and allowed us to set goals that were met throughout the season." - Freshman Justin Smith

What did six women and nine men have in common this fall? They were the fifteen members of the Big Blue Cross Country team. They raced at six meets and had hopes of steady improvement and increased success at the C.C.I.W. meet. Coach Don Luy hoped for the best and received just that.

This year's team "set out to surprise some teams at the Millikin Classic and did just that," according to Sophomore Al Buttimer. This year's team was led by M.V.P.'s Leslie Nottingham and Greg Wessel. With the return of ten letter winners and another year of competition under their belts, the Big Blue should be ready to make a run at knocking off national and conference powerhouse North Central in the upcoming seasons.

First row: Denise Loomis, Kyle Anderson, Greg Wellel, Todd Hasson, John Haneg, Justin Smith, Leslie Nottingham. Row Two: Coach McNeely, Erica Grider, Al Buttimer, Clinton Bailey, Todd Felker, Jason Myers, Jon Cone, Amanda Johnson, Coach Luy.

Junior Teresa Willard and Denise Loomis fight for position as they strive for the finish.

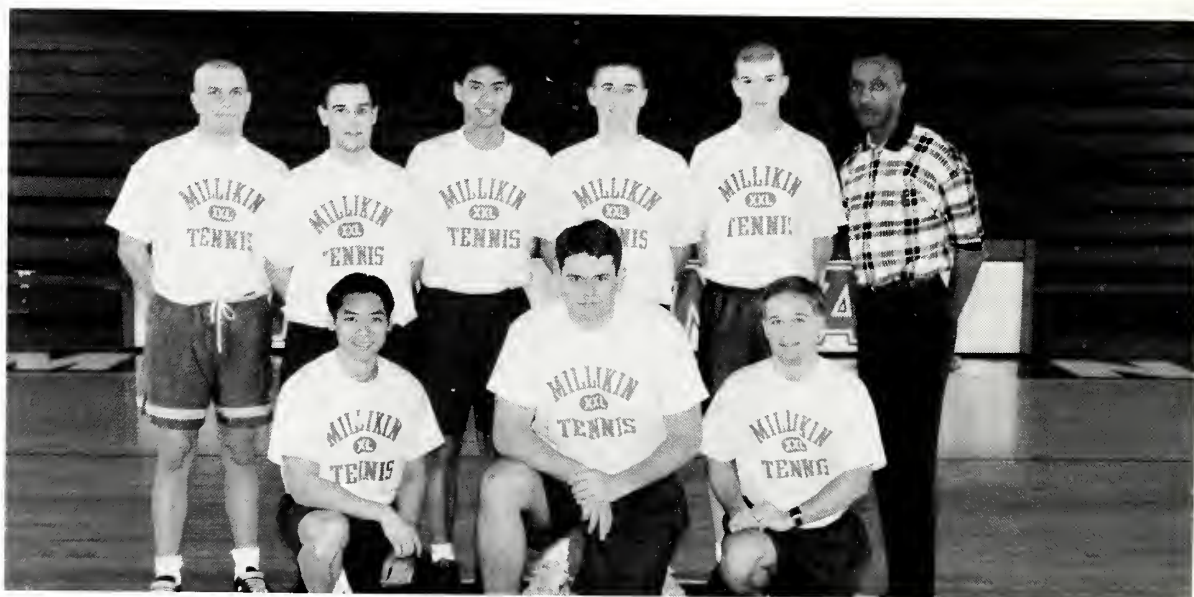

Numbers are up

The men's team found itself in a different position than last year. Coach Leonard McNeely was forced to use players at the top of the singles lineup whose only collegiate experience had been at positions lower than the lineup. This season, the addition of several promising newcomers should allow Millikin to be competitive through the six individual spots and in doubles.

McNeely thinks freshman Bob Schlipmann will be the team's No. 1 singles player. His coach calls him a competitor who refuses to give up points.

McNeely says one advantage this season's squad has over last year's is depth which will show up in the doubles matches where the coach will have the luxury of trying several combinations.

"I feel as though this could be the best team we have had in four years at Millikin," McNeely says. "Depth is the key and that is what we have been needing. I believe if the pieces fit, this team could show dramatic improvement at the CCIW championships."

Getting Better

Debbie Anderson, a sophomore, comments "I enjoyed playing this year because I am transferring schools next year. I'll really miss all the girls on the team."

Bob Hantel returned for his second year as head coach of Millikin's women's tennis team. With a roster of thirteen members, many of which are returning, Hantel expected much this past fall and got it. The team participated in eighteen meets and enjoyed the competition of the 75th Dorothy McClure tournament. Eight teams came to Millikin to compete in this two day event. Tisha Hess, a sophomore letter winner says, "Everyone did exceptionally well. We had a lot of competition but we excelled and were all very happy with the results,"

With the return of many letter winners, Coach Bob Hantel can look forward to an even better season next year.

Hoopin it up

For the third consecutive season, the Millikin women's basketball team has been selected as the season favorite in the CCIW as selected by the conference coaches. And for the past two seasons the Big Blue have been able to live up to the expectations with two conference titles and berths in the NCAA Division III national tournament.

Once again the team won its third consecutive CCIW Championship and reached the final 16 in the 64-team NCAA tournament.

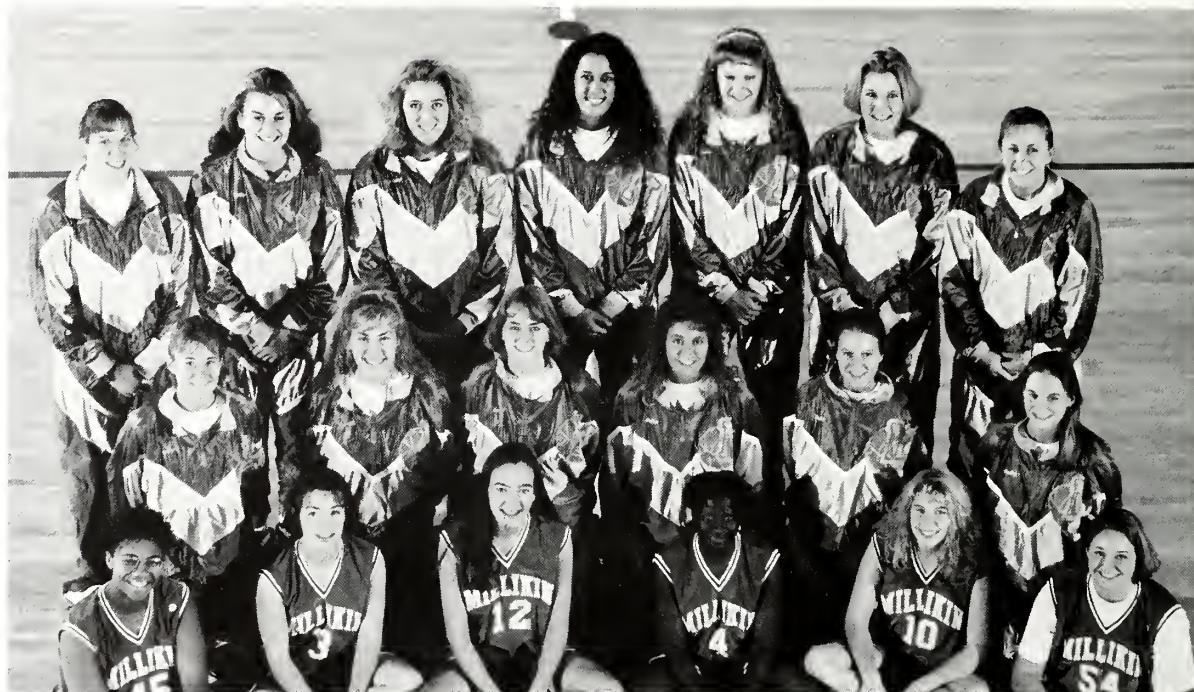

Julie Roe led the league in scoring with an average of 20.7 points per game and finished second in rebounding at 10.2 rebounds per game.

Jenny Nichols averaged 19.1 points per game and led the team in free throw percentage with 84.4 percent.

Several school records have been set by this team. Julie Roe set the record for points in a season with 629 and has scored 1,044 points in her career. She ranks 11th on Millikin's all-time scoring list and 10th on the all-time rebounding list with 551. Roe also set the MU record for free throws in a season with 153 and the record for consecutive free throws with 22. Her career scoring average of 17.4 points per game ranks second in school history.

Jen Myers set the school record for 3-point field goals in a season with 58.

Susan Wills closed out her Millikin career with 209 assists and 496 points. She holds the Millikin record for consecutive field goals with 11.

Shooting for a goal

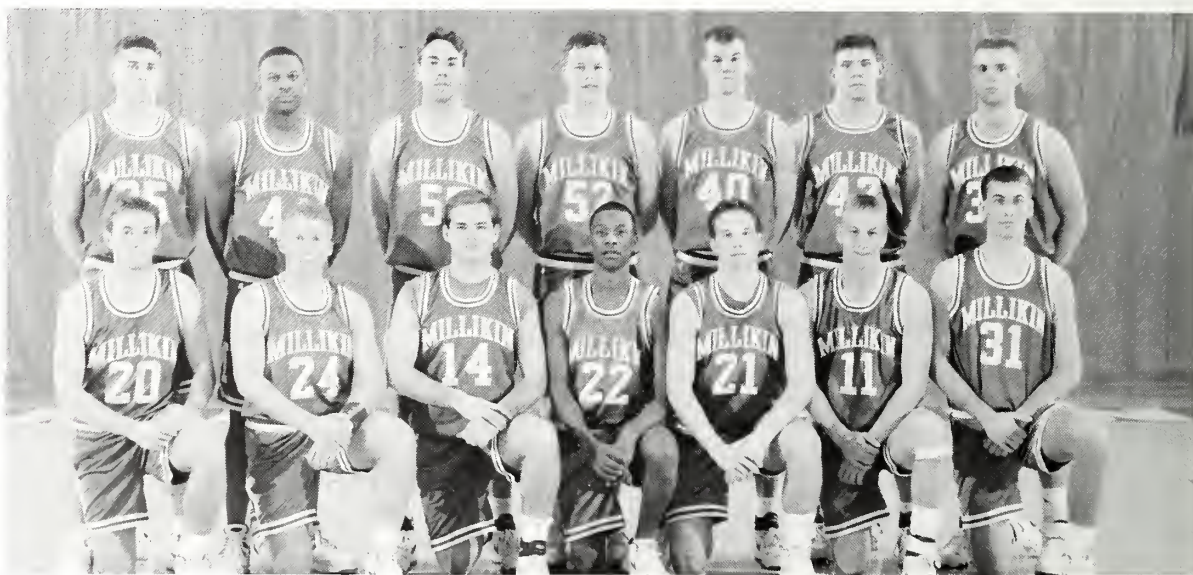

With just five lettermen returning from last season for the men's basketball team, it would appear that Coach Ramsey faced a major rebuilding task. However, the addition of the 1994-95 starters who did not play last season gives the veteran coach reason to avoid characterizing this as a rebuilding season. Ramsey seeks additional depth from a group of players who played with the junior varsity last season and from what he terms a promising group of freshmen.

Eric Smith led the CCIW in scoring and rebounding and is 19th on Millikin's all-time scoring list after averaging 20.6 points per game this season. He averaged 10.1 rebounds per game this season.

Sophomore Kevin Buford ranked 2nd in scoring with 12.6 average points per game. He also led the team in 3-point field goal percentage (39.8) and steals (36).

Freshman Adam Provance led the team with 104 assists and ranked 2nd with 34 steals. He averaged 11.4 points per game.

Millikin was 8-17 overall and 3-11 in the CCIW.

Making Big Blue Waves

Coach Gadbois said, "A considerably better team than last year."

With the return of three time All-American swimmer Brad Cain and five other returning lettermen and the addition of a host of quality freshmen and newcomers, Coach Gadbois had high hopes for a top 20 finish at the NCAA Division III championships. Millikin finished in 20th place at the national meet with 43 points.

Brad Cain earned All-America honors four consecutive seasons and he owns Millikin records in the 500 freestyle, 1650 freestyle and the 100 backstroke. He also won 11 CCIW titles to rank second all-time in the number of conference titles.

Three of Millikin's relay teams also won titles at the CCIW Conference meet: 200 freestyle relay team Cain, Rene Vereecken, Scott Schnurbusch and Mark Potter; and 400 and 800 relay teams of Cain, Vereecken, Schnurbusch and Dave Williams.

In talking about the women's team, "A considerably better team than last year," said Gadbois. The 95-96 women's team included thirteen letter winners from last season.

Jennifer Winslow recorded three of the teams best times this season and swam a leg on four of the fastest relay times. Ali Sweeney swam the top time in the 100 butterfly and was a member of the team's fastest relays.

Hits, Hits, Hits

Returning 13 lettermen including the top three pitchers from last season had Millikin Coach Mike Neal looking forward to the CCIW baseball race.

"We are going to be a better team than last year because I believe our pitching staff will be better," Neal said.

The returning pitchers are Tim Janecke, Jeff Stephens with two new contenders Bob Tolone and Andy Messerschmidt.

Neal hoped this season's squad could build on the end of last season when the team won five of its final nine games.

"If think the team comes together like I think it will, we could contend for the south division title and advance to the conference tournament," Neal said.

The Big Blue ended their season with a 12-21 overall record and 6-12 in the conference.

Ken Ryan is ready and waiting to get the runner out at first base.

The Big Blue softball team returned 11 letter winners from last season, and Coach Jim Mills says his team was in contention for a CCIW crown as well as an NCAA Division III tournament berth. His leading pitchers are Wendy Hahn and Nita Stechman. "Hahn is a control pitcher while Stechman is more of a power pitcher," Mills said. "Their styles complement each other well."

Instead of a two man rotation, Mills planned to add Sara Tomek to the rotation.

"We have the speed to produce runs," he says. "It is a matter of whether we are aggressive enough on the base paths. We will have to turn a single into a double and try to hit and run more than last year."

Junior transfer Gwyn Jones has been an asset for the team both defensively and offensively this year.

The Junior Varsity team was coached by former Millikin graduate Jennifer Ciacchio. The team had a great season with her this year and look forward to next year's season with her return as coach.

Running it up

The men's track team had an increase in the talent level and the number of athletes on the squad. They were much more productive in the CCIW meet than last year. The team finished 5th at the conference meet. The team had 15 returning lettermen on the 33 man roster. Leading the men's team was Tige Butts who advanced to the NCAA Division III Outdoor Championships in the shot put and discus this season. He advanced to the finals in the shot put, finishing 11th, while finishing one slot shy of the finals in discus, 13th.

The women's team for the first time didn't set any squad goals except for improvement with each meet. "I will be asking the eight freshmen to contribute and complement the athletes who have already proven themselves," Luy said. The squad of 22 women was led by nine letter winners. Ali Davis led the women's team by finishing 13th this season in the NCAA Division III Outdoor Championships in the 100 hurdles.

Numbers Are Up

With a roster more than double that of last season and five returning letter winners, Coach Mike Poe believes his team will be competitive and improve with experience.

Millikin finished 2-2 in dual meets and had three wrestlers place at the CCIW conference meet.

Junior Mark Schlernitzauer led the team in victories with an 18-14 record at 177 and heavy weight. He finished third at the CCIW meet.

Jim Ferguson, a sophomore, placed second at the CCIW meet at 150 pounds.

A freshman, Howie Vitek, and sophomore Carlos Burns tied for the team lead in pins with five each.

Jon Cone, a sophomore, placed third at the CCIW meet at 134 pounds.

Big Blue Wrestling Team--Row One: Mike Fahey, Craig Peters, Josh Cavanaugh, Howie Viten, Patrick Green, Jon Cone, Joe Ferguson. Row Two: Coach Mike Poe, Brian Breen, Lief Walling, Justin Johnston, Matt Andrews, Mark Schlernitzaur, Brian Claypool, Kane Connor, Carlos Burns, Asst. Coach.

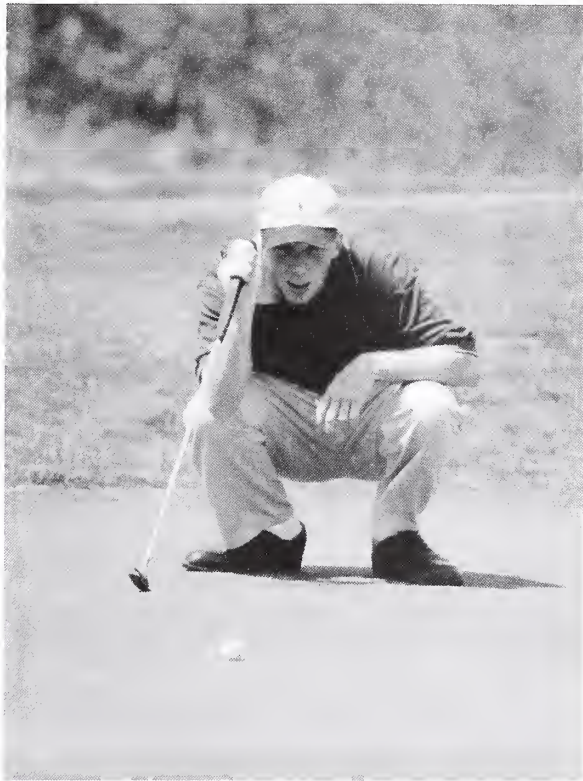

Putting away

It wasn't going to be easy for the golf team to repeat as CCIW conference champions, but that task is at least within reach for Coach Gerald Temples's squad which returns four of its top five individual scorers from last season's conference meet. "The bottom line is to win the conference tournament," Temples said. "That is going to be a tough task this year but I think we are in position to compete for the championship again this year."

Leading the returnees is junior Ray Stroup, who finished second at the CCIW meet and was third on last season's squad with a 79.6 stroke average.

The team's top two players in scoring average, senior Jason Thomalla and junior Tory Leonard, also return to lead the team.

October 6-8

This timeless and poignant tale of romance first opened on Broadway in 1945 and enjoyed a successful revival there in 1994. Set in an 1873 New England fishing village, the musical features the relationship of victimized Julie and charismatic but self-destructive Billy. Memorable musical numbers include: "If I Loved You," "June is Bustin' Out All Over," "Soliloquy" and "Blow High, Blow Low."

Of Penzance

A cast of pirates, policemen, young lovers, dewy-eyed daughters and an eccentric Major-General are whirled around in a melodious merry-go-round of moral dilemmas in this Broadway classic.

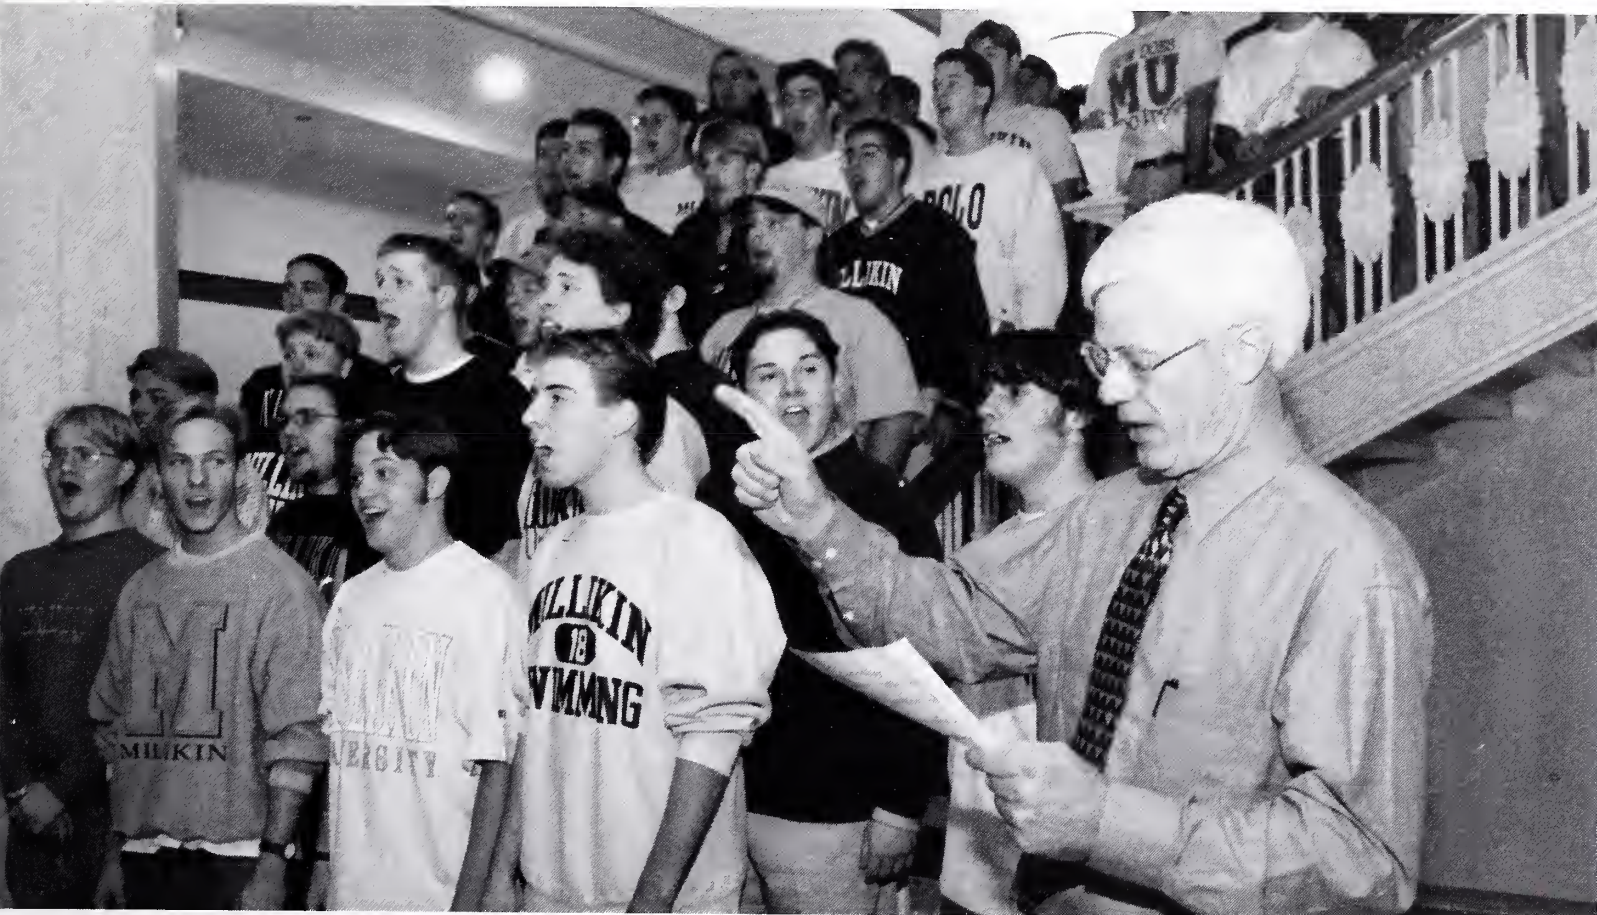

The play is about duty and personal responsibility, concepts extremely important to the people in Victorian England. All of the characters are slaves to duty and act out of a responsibility to something bigger than themselves.

Chapel Construction to Begin Soon

During the afternoon on the day of graduation, an unofficial ground breaking ceremony was held for the new chapel site. Through the generosity of Mr. Frank "Bud" and Lauri Pilling, Millikin's first free-standing chapel will be built. Pilling Chapel will be located behind Gorin Hall, between Kirkland Fine Arts Center, Staley Library and Mueller Hall. Construction is planned to begin in late summer or early fall of 1996.

Changing Names

The former New Hall 1 became known as Weck Hall this year. The family of Mrs. Weck graciously donated to the university to name this residence hall after she recently passed away.

It may be difficult to use this new name for most students and staff for a while. But, it's nice to know that this building has a name now besides "New Hall" since it is no longer one of the newest residence halls.

CLOSING

The day of graduation began with the 93rd Annual Baccalaureate ceremony held in Kirkland Fine Arts Center at 10:00 a.m. All the graduates and faculty members gathered in their academic regalia. Family and friends also came to reflect on this time of change in the graduates's lives. This day marks a time of completion, and yet a new beginning in the lives of each of the graduates.

For some the day was filled with happiness and excitement, but also a slight sadness because a phase of their lives was coming to an end. The graduates will each be moving on to new jobs and/or graduate school. For Stephanie Karau, this was an especially proud occasion. Her father, pictured with her at the left, gave the baccalaureate address. Reverend Keith A. Karau discussed the role that their lives will play in the future and encouraged them to leave "Distinguishing Marks."

Every year the Alumni and Advancement Office provide refreshments and the opportunity for conversation between faculty, parents, graduates and friends at a reception held in Richard Treat University Center following the baccalaureate ceremony.

Once again, everyone enjoyed being able to meet the families of their friends. It was also a great time for professors to give a final wish of good luck and congratulations to their students.

A big thank you goes to the Alumni and Advancement Office for enabling this wonderful fellowship.

Eddie Ho Min shares a moment at the reception to introduce his parents from Malaysia to his professors Dr. James Watson and Dr. Paul Dorsey.

Governor Edgar Address Graduates

Governor Jim Edgar was the distinguished speaker at the 93rd Annual Commencement ceremony. He spoke about the challenges that face these graduates as they move into the "real world" and become the leaders of the 21st century. Edgar also commended the Decatur community for uniting and helping one another during the tornado disaster in April. That quality helps to make Illinois stronger as a community as well.

The location for Commencement was moved downtown to the "air-conditioned" Decatur Civic Center. It had previously been held at Fairview Park pavilion. The new site enabled more family members and friends to attend the event and be more comfortable inside protected from the 90 degree heat.

Special Thanks to . . .

Bob Donnelly, our Herff Jones Representative, who is always there to answer our endless questions, send in our pages and proofs, and help us solve problems.
Ray Baltes, University Photographer, who takes great photos and understands our deadlines.
University Relations and **Griswold Center staff** for providing sports information from press releases to final statistics and awards.
University Services and the **Mailroom staff** for all their help and advice for the numerous mass mailings we sent this year.
Faculty, staff, and administration for your cooperation in a year of change. Prepare to have a recent photo taken for the 1997 Millidek. **NOMORE 70S & 80S LOOKS!**
Security for letting me in during those evenings in June to finish up. Especially to **Dr. Randy Brooks** for making arrangements for me to use the Mac Lab.

I would like to give a very, very special thanks to the section editors for their extra hard work and dedication. I know there were a lot of frustrations, but thanks for hanging in there. This book could not have been done without you.

And I could never thank **Scott Venters, Sarah Diefenbach, Jen Niemann, and Cory Turner** enough for their help after the semester was over. I truly appreciate you running yearbook errands, as well as giving and getting messages for me while I was at work all day. You guys are the greatest!

Miin. Where do I begin? Thanks for teaching me all that you've learned about yearbook over the past few years. I will really miss your computer expertise next year.

Lastly, but definitely not least, **Holly Smith**. It's been quite a learning experience for both of us this year. You've been a great support for me when times got really stressful. You were there for me not only during hectic deadlines, but you've been a great friend to me.

Thanks so much to everyone!

Changing Times

As I look back, I see so many changes that I have personally gone through during my years at Millikin. Since the first day I came to Decatur, Illinois, I have made many friendships that will last a lifetime and experienced college life in a way I never thought possible. I will carry these vivid memories in my mind for a very long time. I think I am a different person now than I was then--one with new ideals, new goals, new experiences, new friends, new perspectives on life.

I would like to thank all the staff members for their hard work and the countless hours they put into this yearbook. The job of putting together a yearbook is not a glorious one, but the finished product is always one that can be cherished and appreciated. Our memories are captured in the pages of this book. I hope it will be as special to you as it is to me.

Best wishes,

Miin Wei Looi

Life is full of "CONSTANT Change"

You know, I never really realized how much your life can change until I came to Millikin. So many new and exciting opportunities, in and out of the classroom, enrich our lives everyday. This year we've all seen a number of changes taking place--from Oakland Hall to Liberal Learning to even various staff position changes. And there are many more changes to come.

I think if we look inside ourselves, we have each experienced our own personal changes in a variety of ways. It all began when we stepped on this campus one August day and started our first week as Millikin students. These changes range from the initial freedom that college brings to possible homesickness and to the building of strong friendships and relationships. All of the changes have helped us to grow and mature to prepare us for our future careers and our lives with family and friends. I've learned this year that your life can really change when you least expect it. This is especially true for the families who suffered during the tornadoes in April.

I know that the years that I have spent so far at MU will always remain very dear to me. Many happy memories of my college days and the personal growth that I am experiencing have made me a stronger individual. Millikin will always be a precious part of my life for those reasons.

It is my hope that your memories of Millikin and what she has given you during 1995-96 have been captured in the pages of this book. I look forward to the challenges I will face as Editor-in-chief next year. I also anticipate many more exciting and precious memories in my last year at MU. I wish the Class of 1996 best of luck in everything they do . . . as they face the "CONSTANT Changes" that lie ahead in their lives.

Respectfully yours,

Stacy Oertwig
